

PORTABLE BIDET

# PERI BOTTLE

Made for postpartum care.

**The Mama Strut Peri Bottle makes going to the bathroom after having a baby easier, less painful and more hygienic.**

## WHY USE A PERI BOTTLE?

- Replaces rough toilet paper that can hurt tender areas, vaginal tearing and stitches
- Easily controllable stream
- Use for limited mobility by extending reach (especially useful for C-sections)
- Instant pain & stinging relief
- Ability to add sitz baths and other soothing ingredients

## MORE ABOUT IT

- Ergonomic design
- Holds 350 ML
- BPA Free
- Leak proof
- Continuous spray
- Made to work upside down
- Retractable Spout
- Protective Pouch
