# POSTPARTUM PADS

It's not a period, it's postpartum.

Mama Strut's 10 pack of organic postpartum pads help keep new moms clean, comfortable and dry during the heaviest flow of their lives.

## THE MAMA STRUT DIFFERENCE

### Chlorine Free

We don't like added chemicals.

### Absorbant

Thicker than traditional postpartum pads but just as absorbant.

### Soft Moisture-Wicking Top Layer

### Organic

Only the best for sensitive areas.

## WHY USE POSTPARTUM PADS?

- After giving birth, you cannot wear a tampon for at least 6 weeks
- Most women will go through 4 packs of 10 in the first few weeks to stay dry
- Soft enough to not irritate stitches
- Easily inserted in to the Mama Strut Postpartum Brace
